PowerShell at Work

Extend the shell with snap-ins and modules
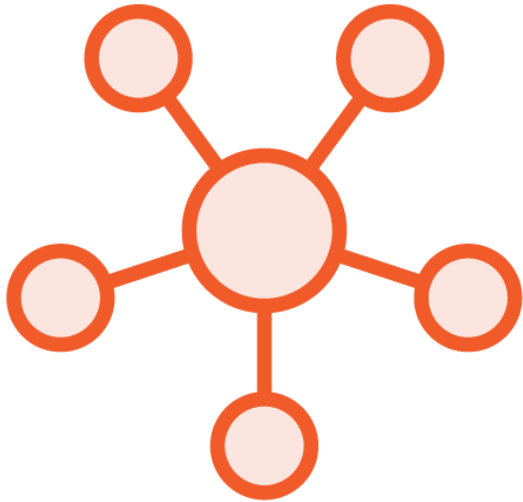

Leverage the PowerShell pipeline

It's all about the objects

Format when you need it

Do more with background jobs

Next Steps

PowerShell Remoting

WMI/CIM

Scripting & Toolmaking

Learn PowerShell in a Month of Lunches 3rd ed. by Don Jones & Jeff Hicks (Manning 2016)

PowerShell in Depth by Don Jones, Jeff Hicks and Richard Siddaway (Manning 2015)

Windows PowerShell Cookbook by Lee Holmes (O'Reilly 2013)

#PowerShell

Powershell.org

Summary

Get in the habit of reading help and examples

Get involved in the community

Continue to use PowerShell daily

Make PowerShell work for you!

Thank you for your trust and time
